Dear Parent/Guardian:

As a result of the federal No Child Left Behind Act, all of School District 104 Title I schools are required to notify parents that they may request, and School District 104 will provide upon request, information regarding the qualifications of the student's classroom teacher, including qualifications of paraprofessionals serving their child.

Information regarding your son or daughter's teacher or paraprofessional may be obtained from your building principal or from the superintendent's office.

Please contact your building principal or Mr. Thomas R. Dixey, superintendent, if you have questions pertaining to the qualifications of your son or daughter's School District 104 teacher or paraprofessional.

Thank you,

Thomas R. Dixey
Superintendent of Schools.
