Quick and Easy Ways to Find a Doctor

Use Provider Finder®, a reliable and convenient tool, to locate doctors, dentists and pharmacies in your network. Filter search results by provider type, specialty, network type, ZIP code, language and gender. Get directions from Google Maps™, too. It's now faster and simpler to do than ever before!

Online

Go to bcbsil.com and click on Find a Doctor. The improved search experience on Provider Finder means you need fewer clicks and required fields to get your results!

On your mobile device - New!

Go to bcbsil.com from your mobile phone's Web browser and click on Find a Doctor or Hospital. Or download the Provider Finder App for your iPhone® or Android® phone. If you use your GPS location or input a ZIP code, the App can pinpoint the closest provider locations for you.

On the phone

If you prefer, call a Blue Cross and Blue Shield of Illinois (BCBSIL) Customer Service Advocate at the toll-free telephone number on the back of your BCBSIL member ID card for help in locating a provider.
