

Dear Parents,

Your child has just begun \_\_\_\_\_ grade. We want to make this year as happy and productive as possible. In order to accomplish this we need your help.

Every day we will be working on \_\_\_\_\_ recognition. At this time of the year your child should be able to recognize the letters and \_\_\_\_\_. Many cannot write out words or identify individual sounds.

Please, every night, spend 5 minutes naming letters and/or words to your child. Reading together nightly is very important. We do not want your child to fall behind the other children. We are giving extra help and spending more time with \_\_\_\_\_ in school, but your assistance is the key to our success.

Thank you very much.
